

NOTICE OF FILING OF APPLICATION UNDER THE U.S. DEPARTMENT OF LABOR'S PERMANENT LABOR CERTIFICATION PROGRAM

An application concerning the employment of one or more alien workers for the following permanent position will be filed with the Department of Labor. This Notice of Filing will be posted for 10 consecutive business days, ending between 30 and 180 days before filing the permanent labor certification application.

NAME OF EMPLOYER: University of North Carolina at Asheville (UNC Asheville)

POSITION TITLE: Assistant Professor of Mathematics

POSITION DUTIES: Teach 12 contact hours per semester (typically three classes); establish a research program that involves undergraduates; and engage in service to the institution, the community, and the profession. The department is particularly interested in individuals with expertise to teach courses in data analytics, statistical modeling, and computational mathematics. In addition to having a passion for undergraduate teaching, research, and mentorship, the UNC Asheville faculty is committed to disciplinary teaching through an inter- and multi-disciplinary lens and providing a premier liberal arts education. Faculty members also teach across the University's Liberal Arts Core (LAC) program, our required interdisciplinary liberal arts curriculum in courses that include, but are not limited to: introductory (first-year) colloquia; diversity intensive courses that satisfy the Scientific Perspectives, Social Science courses and Arts and Ideas requirements; courses within the Humanities Program; and LAC Senior Capstone courses.

POSITION REQUIREMENTS: Must have earned a Ph.D. in statistics, mathematics or related field/discipline with expertise in statistics prior to August 15, 2020. Must be able to demonstrate through application materials and in the interview that they have an ability to teach and mentor undergraduate students; bring diverse and multidisciplinary perspectives into the classroom; and function professionally in a highly collaborate and increasingly diverse organization. Individuals with a passion for undergraduate teaching and experience at an institution focused on the liberal arts are strongly encouraged to apply.

UNC Asheville has been a national leader in undergraduate research for over 30 years, and over 60% of our students graduate each year having been involved in this important learning experience. The university fully embraces the idea of mentored undergraduate research being one of the highest forms of teaching, and the institution values success in this facet of a faculty members work. Therefore, the successful candidate for this position must be able to articulate a clear vision for a sustainable, highly productive, and preferably externally funded undergraduate research program. UNC Asheville is committed to promoting diversity and a work environment that encourages knowledge of, respect for, and the ability to engage with those of other cultures or backgrounds. faculty members across campus and especially in STEM disciplines are encouraged to lead the institutions efforts in promoting diversity and inclusion in the areas of pedagogy, programming, and service activity. Therefore, candidates interested and experienced in teaching math or science to and developing outreach activity for diverse student populations are especially encouraged to apply.

LOCATION OF EMPLOYMENT (street address): One University Heights, Robinson Hall, University of North Carolina at Asheville, Asheville, North Carolina 28804
